WARRANT CALL SCAM

The Kenton County Sheriff's Office has been contacted again about a scam regarding calls from persons identifying themselves as being with the Kenton County Sheriff's Office. The caller states there is a Federal Bench Warrant for the person's arrest and promises to make arrangements for the warrant for a specified amount of money paid on a credit card or money order.

The Kenton County Sheriff's Office does not call individuals who may have an active warrant.

The scammers have set up a voicemail that has a recording as if it is the Kenton County Sheriff's Office.

This is a SCAM. Anyone receiving a call of this nature should not respond to this type of threat. Do not engage these callers. Do not give them any type of information.

Please contact the Kentucky Attorney General Andy Beshear, Office of Consumer Protection at 888-432-9257 to report continued contact from these callers.

Kenton County Sheriff Chuck Korzenborn
